

Teaching Testimonials

" Mark has really "turned on the light" for me. I have only been having lessons for 3 months, but already I am making great progress. I can learn a new song in just a few days or a week and Mark's progressive approach allows me to learn a basic version first, and then to elaborate and improvise on it over time."

Ray Foulkes, Romsey , England (studied 8 years as a child.)

" For the first time in my life, I actually see the music, instead of just play it"

A. Jay Douglas (Studied 10 years as a child.)

"I can't believe I haven't learned this yet"

Rita Varga, Madison , WI , 15 minutes into her first distance jazz piano lesson!
(Studied for 5 years prior to Mark Miller)

" Thanks Mark!!!! You're the best. I am going to go play it right now!!!

Bonnie Gregory, Los Angeles, CA upon receiving a customized walking bass line arrangement from Mark Miller over the internet.
